

DR. JADUNATH COLLEGE, RASALPUR
BALASORE

DEPARTMENT OF CHEMISTRY

Topic: Hydrogen Bonding and its Characteristics

Date: 18/12/22

HOD: Mr. Bhagyadeep Mishra

Presented by:

1. Subhadra Rout (+3 3rd Year)
2. Pankajini Pradhan (+3 2nd Year)
3. Sonali Swarnamayee Palei (+3 3rd Year)
4. Urmi Khilar (+3 1st Year)
5. Sibaprasad Majhi (+3 3rd Year)

A seminar was organized by the Department of Chemistry, Dr. Jadunath Degree College, Rasalpur, Balasore, on 18/12/2022 in the Departmental Seminar Hall on the topic "Hydrogen Bonding and its Characteristics". The seminar was presided over by HOD Mr. Bhagyadeep Mishra. Our principal Dr. Jayanta Kumar Dwivedy inaugurated the seminar and a welcome address was given by the HOD of the department.

Dr. Madhusmita Das, HOD Department of Botany participated in the discussion and gave her valuable suggestion. Mr. Pravat Kumar Swain along with other staff members of the science stream and all students of the chemistry department attended the seminar. B.Sc. 1st, 2nd and 3rd year students presented their presentation on the topic. At last, the seminar ended with a vote of thanks given by Mr. Bimalendu Samal, Demonstration in Chemistry.
