

DR. JADUNATH COLLEGE, RASALPUR
BALASORE

DEPARTMENT OF CHEMISTRY

Topic: Carbocation an Active Intermediate
Date: 14/09/22

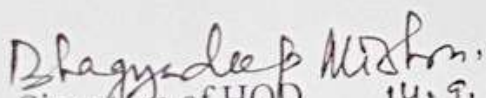

HOD: Mr. Bhagyadeep Mishra

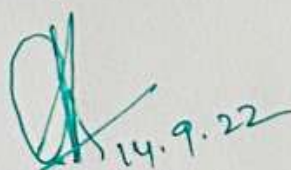

Presented by:

1. Jyotirmayee Dash (+3 3rd Year)
2. Sarojini Pradhan (+3 2nd Year)
3. Abhijeet Panigrahi (+3 3rd Year)
4. Suvendu Kar (+3 3rd Year)

A seminar was organized by the Department of Chemistry, Dr. Jadunath Degree College, Rasalpur, Balasore, on 14/09/2022 at 1.15 pm in the Departmental Seminar Hall on the topic "Carbocation an Active Intermediate". The seminar was presided over by HOD Mr. Bhagyadeep Mishra. Our honorable principal Dr. Jayanta Kumar Dwivedy inaugurated the seminar and a welcome address was given by the HOD of the department.

Invited Guest Mr. Shankarsan Panda Ex. HOD of our department encouraged the students with his valuable advice, discussed the topic elaborately, and answered the questions from the students. Mr. Pravat Kumar Swain along with other staff members of the science stream and all students of the chemistry department attended the seminar. Jyotirmayee Dash, Sarojini Pradhan, Abhijeet Panigrahi, and Suvendu Kar presented their presentation on the topic. At last, the seminar ended with a vote of thanks given by Mr. Bimalendu Samal, Demonstration in Chemistry.
